Aerospace Power***

## **Contractor Performance Assessment Reporting System (CPARS)**

**Mary Reynolds  
SAF/AQCI  
28 Feb 01**

**U.S. AIR FORCE**

---

U.S. AIR FORCE

---

# *Overview*

- **Purpose**
- **Where We are Today**
- **Next Step**
- **Requested Enhancements**

**U.S. AIR FORCE**

---

# ***Purpose***

## **Update FRB on status of AF Implementation of CPARS**

U.S. AIR FORCE

---

# ***Where we are today***

- **All CPARS training completed - except one Internet training class on 7 Mar**
- **Positive feedback from General Sieg, General Mashula, MAJCOMS and Navy Instructors on the training**
- **Pilot programs at AFMC are going well**
- **CMB met 18 Jan - extended warm welcome to Air Force**
- **Accepted all requested enhancements approved by the FRB on 16 Jan and will include in future release**

# ***Where We are Today (Cont'd)***

---

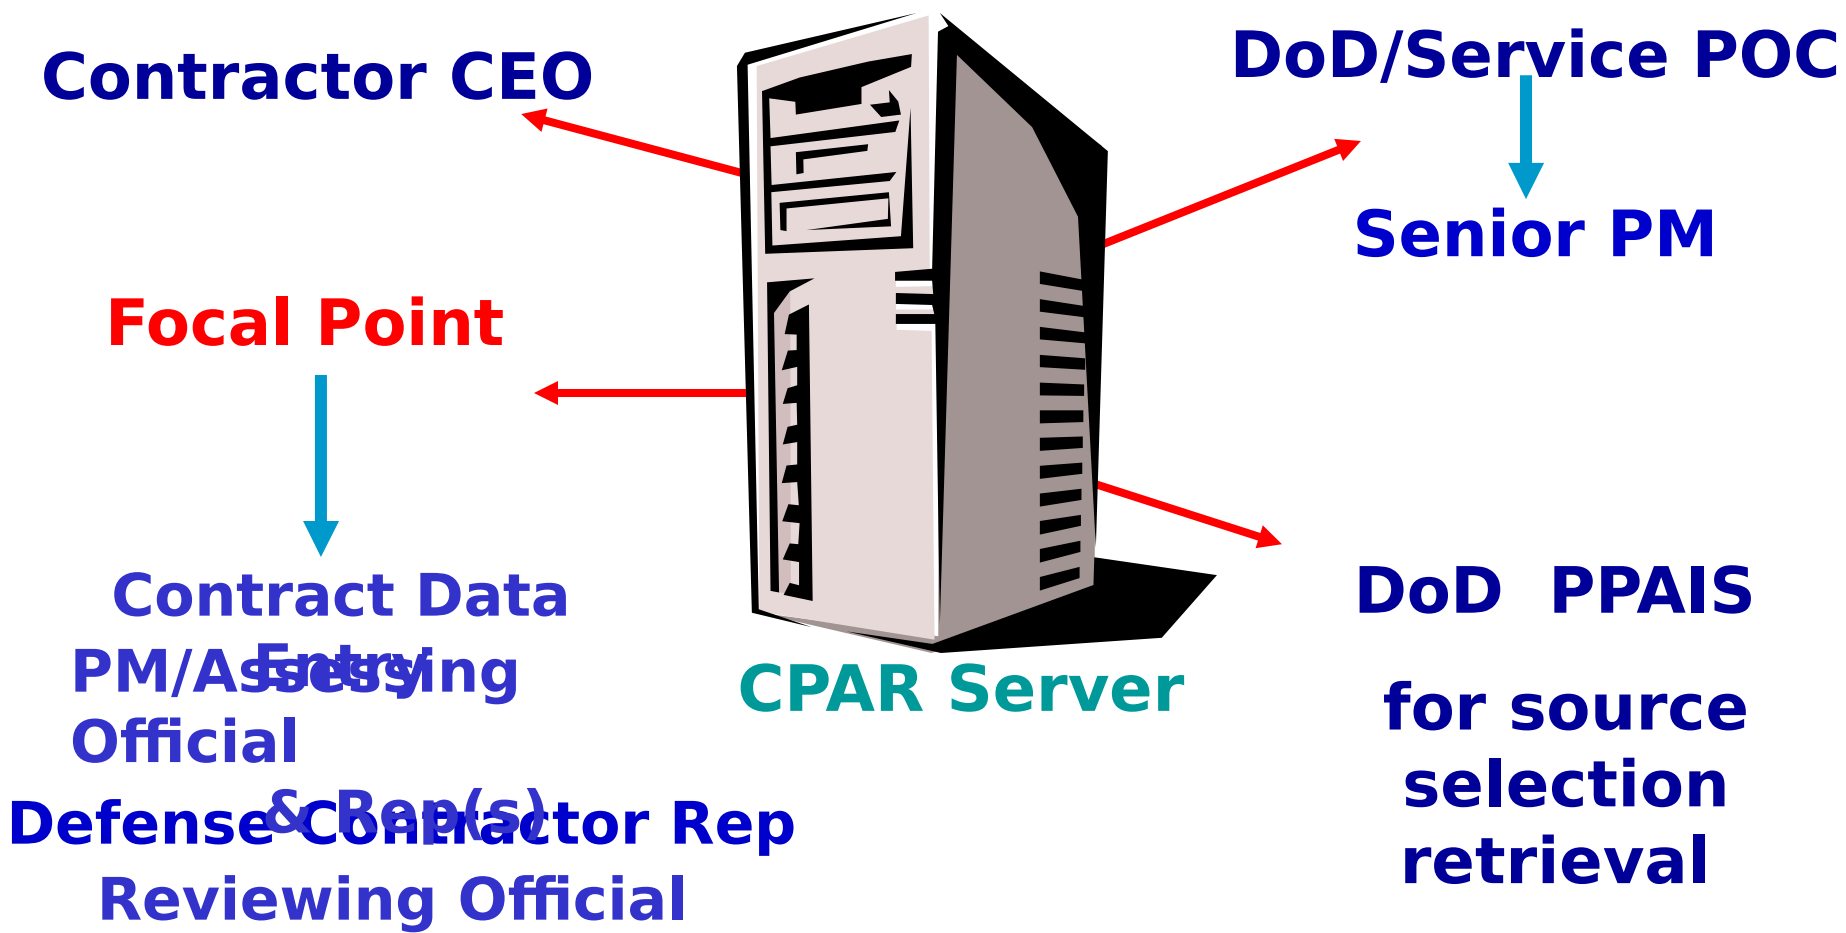

**U.S. AIR FORCE**

- **JECPO is evaluating whether to allow ECRC to help in training for CPARS/PPAIS - ECRC POC is Mr. Bill Morris**
- **All MAJCOM/DRU/AFMC Center CPAR reps now have**
  - **Log-in ID and Password**
  - **CPARB access - allows them to view all CPARS and run status reports for their activity**
  - **Authorization to give focal point access to system for their activity**
- **Each activity will establish local procedures for focal point access**

U.S. AIR FORCE

# Access Authorization

# ***Next Step***

- **To date there are 17 CPARS in the system - need your help in encouraging use - vital to our source selections**
- **Request your vote on using DD350 information to identify business sectors that meet threshold for inputting CPAR**
- **If approved will request AFCIS (MSG/PI) to approve programming of a standard report in the J001 system**

**U.S. AIR FORCE**

---

# ***Requested Enhancements***

- **Request your vote on the following enhancements to be presented to the next CMB in May:**
  - **Increase the number of Program Manager Reps in the access matrix from from four to ten**
  - **Change the contractor response block from “I agree/disagree with assessment” to**
    - **“I agree with assessment”**
    - **“I disagree with assessment - request PM/ Assessing Official to review”**
    - **“I disagree with assessment - request Reviewing Official to review”**
  - **Add “Fuels” to list of Business Sectors for Services/IT/Opn Support Form**

U.S. AIR FORCE

# ***Conclusion***

---

- **Request your vote on report and enhancements by 9 Mar 01 to SAF/AQCK**
- **CPARS is off to a great start**
- **Establishing strong partnership with the Navy**
- **Will continue to update you on requested enhancements and status of CPARS**

**U.S. AIR FORCE**

---

# **BACK UP SLIDES - 18 Jan 01 CMB Enhancements**

U.S. AIR FORCE

# ***Enhancements***

- List processing time for metric reports - **CPARS**
- Display contractor name when you do a query by contractor, so that you can see various forms of the company; i.e., Lockheed Martin Systems, Lockheed Martin Tactical - **CPARS and PPAIS**
- Change screen color when a report has been clicked on - **CPARS and PPAIS**
- Add “CPAR overdue” to status report - **CPARS**
- Modify Block 16 to approximately 100 characters for Program Name - to allow sorts on this field - **CPARS**

U.S. AIR FORCE

# ***Enhancements (Cont'd)***

---

- **Add DUNS number look up - CPARS**
- **Add Block for Contracting Office Code - CPARS and PPAIS**
- **Add “Final CPAR” when applicable - CPARS**
- **Add heading for what colors are; i.e., red - unsatisfactory, green - satisfactory, etc. Make these fields consistent on the system and services forms - CPARS and PPAIS**
- **Add sort view by MAJCOM/Center - PPAIS**
- **Make forms available on line for classified programs to us - CPARS**
